Jonathan MILF HNTR

Jonathan is a good friend of mine. But a little wacko, and it's that wacko that gets him all sorts of pussy. He drives an average looking silver Camry with a license plate that says: MILF HNTR. He's so bold with that MILF thing that he'll ask almost any woman he sees if she's a MILF. I can't stand to be with him when he does. So embarrassing.

We were just hanging out and he said he had a quick errand to do. We're now at his girlfriend Jenny's house. He opens the door and sighs, closing the door behind him he mumbles "Sorry Jenny, I was supposed to meet another friend and I got side tracked." Jenny laughed as she got up and said "Don't worry. Let me know when your ready again." "Sure." smiled Jonathan. As he kissed her one last time for the day, Jenny began to rub his cock through his jeans.

She took his hand pushed it down her shorts and over her pussy. Jonathan stuck in two fingers, moved them around and pulled them out, putting them into Jenny's mouth.

She sucked his fingers and looked up at him. "I'll be back tomorrow with Sophia." Jonathan said.

Jenny pushed him out the door. Jonathan flew out and we headed over to Sophia's house. Sophia was quite the girl. She was just a little over five foot with cute perky boobs and a firm round ass. She too was a MILF. A couple small kids now with her ex because she wants to party. She had told Jonathan that she needed to talk to him about something very important, and the way she said it Jonathan guessed it probably was.

We had finally made it to her house and he knocked on the door Sophia immediately opened the door and literally pushed and shoved him into her house. She sat him down on her sofa. I took the side chair and tried to be inconspicuous. "Okay, so what is so important, Sophia?" "Okay listen, I'm going to tell you something important?" Sophia raised her eyebrows. Jonathan nodded as he waited for the 411.

"Alright, so I not only like guys but I tghink I'm also lik-

ing girls. I've done another girl but I was hoping you could introduce me to your girlfriend Jenny. I don't know if she's been with another girl or not, so I was wonder..." "You saying you want to get it on with Jenny?" he says interrupting her. "I know she's done a girl or two but doesn't consider herself gay, because she's now got this." he says grabbing his crotch and looking over and winking at me.

Sophia continues, "Jonny, I'd be willing to sweeten the pie. If you ask her, I'll join you in a threesome, and I can sneak into her pussy that way." Jonathan sat back on the sofa and cuooed his hands behind his head to think

didn't go for it. She said she doesn't do girls anymore and for sure she won't do a three-way. And if that's what I want, then I don't want her."

"Damn, Jonny." I said. "That's cold." No other way you can convince her? At least to take you back? Did you tell her you were just trying to do a favor for a friend?"

"Yea man, I said all that stuff, and she just knocked me down. I think I need to chill for a bit and give her some time to cool off." He said. "I'll call her in a couple days and she'll take me back. I know it."

Well, my fellow readers, several days have passed and she didn't take him back, so if you thought you were gonna get a letter with Jonny fucking a couple of MILFs as they did each other. Nope ain't happening, but I had ya goin'!

MR. LOST WITHOUT LOVE

Being a divorced father, it's hard to survive in the dating world. For the most part, I keep to myself. My name is George and I just got another erection. Oh yeah, that's just about all I think about. Women and sex. I have all the time in the world and none of the above. I tried bars, clubs, dating sites, the office pussy pool, and more. No luck anywhere for me.

After eight months, I had to do something. I had to get laid. Then kismet struck. I was in the supermarket, in the fruit and veggie section selecting some figs. Standing nearby was a pretty lady fingering organic English cucumbers. She was looking kinda frustrated by the selection. Then right out of the blue, my mouth says, "Sometimes the good ones just aren't there." She looked over at me and gave me a quizzical smile. I quickly apologized for the double entendre and she laughed. I looked away and a moment later she said, "I've always wanted to try figs, but didn't have the courage. Aren't they kinda weird to eat?"

I looked around to be sure she was talking to me, and then said, "Not if you eat them the right way." Again I blushed because of a second double. She laughed out loud that time. I tried to recover, quickly by saying something even more arcane. "the best way to describe it that I know was in a scene in Ken Russell's 1969 film *Women in Love* where Alan Bates describes eating a fig like eating a..." I stopped myself before I said it. "A woman." she

about it. "Okay, I'll ask her." he says. "No, you have to convince her." says Sophia. "Okay, okay." he snaps back. "Gimme a day." We get up and leave her place.

"Hey Jon, watcha gonna do?" I ask. "I'm gonna ask Jenny." he replies. "How can I give up a chance at a three-way with those two? We laughed and high-fived and low-fived. Next day I got a call from Jonathan. "Dude, Jenny

said. Once again I blushed and turned shy.

“Oh, that’s okay.” she said. “I’m, a huge Ken Russell fan. I’m surprised I didn’t think of that before I asked. Hi, I’m Lainie.” she said introducing herself. “Nice to meet you. I’m Peter.” Spotting an in-store Starbucks over her shoulder, again my mouth took over. “Could I interest you in a cup of coffee and we could discuss his films. I too am a huge fan. “That’d be nice.” she says.

Cut to two hours alter and not to bore you with film critiques. Lainie is now at my flat and sitting on my

Not pushing me away, I became more confident and gently pinched her nipple between my index and thumb as she purred to the touch. I took off her top and grabbed her exposed breasts. She took off my shirt and I unzipped her pants and pulled them off. I kissed from her neck to her chest to her stomach to her lady mound of perfectly coiffed pubic hair.

I gently licked her pussy through her thong, then lifted her legs and pulled it off revealing her treasure. I lock her thighs around my head as I slowly make my first lick on her bare pussy. I made a few licks more on her labia then

spread them apart with my fingers as I licked within her pussy. She held tight to my head and squeezed my hair as I tongue-fucked her to a mini-orgasm. Slowly, I kept up the licks inside, probing deeper until my tongue could go no more. I backed off when she leaked a thick and tangy liquid from her pussy, and I lapped it all up with my tongue, then sucked her pussy clean. After her body stopped shaking and she settled down from her orgasm.

She kissed me once more then held my thighs as she slowly licked her way down to my member. She stared at it inquisitively then slowly grabbed it causing it to throb. She started pumping my shaft like earlier, although this time she had her soft luscious lips around my cock head and sucked the skin over the head she was sucking so hard. She would let her lips slide then apply suction as she moved her lips upwards. I was amazed at the feelings I was having. It was heaven, this being my first blow job in more than eight months.

She picked up speed then I closed my eyes hard, and tensed my whole body

up until I exploded my first rope of thick, hot cum into her mouth. I unloaded what seemed like a pint of ejaculate into her mouth and she swallowed it all. I recovered quickly and sat up. I looked down at my growling stomach. I got up and went to the kitchen and brought back some figs. I took one, held it out, smiled, looked at her and said. “This is how you eat one.”

sofa as I bring in a couple glasses of wine. We share an awkward kiss and my mouth starts to talk again. “Shut up,” she hissed, kissing me more intently this time using her tongue swirling it around mine and sucking on my tongue gently and lovingly. I became more bold and reached under her t-shirt and began massaged her left breast.

It took a long to get over my husband's infidelity. You know how those Italian men can be! After all, we had been married for only two months. I needed some time away, so I came to America. When I started talking to my best friend about it, she surprised me by encouraging me to do the same. I said I wouldn't, but I eventually did. And now I don't regret it.

LESBIANS IN LUST

You can have them tonight," she said, scooting up on the bed to present her meaty breasts to my face.

What could I say to such a wonderful offer except to moan even deeper?!

"Only after you come, though," my best friend added and then lay down to face me again.

Chris looked deep into my blue eyes with her own as she helped guide my hand down my own belly. In seconds we had snaked the heel of my palm into my dark pubic hair, and I spread my index finger and thumb between my wet lips. Arching my back, I started only the slightest tickle across my clit. If Chris wanted to watch me, wanted to lie here and tease me with the close proximity of her warm breasts, her coy words, and her big blue eyes, then I was going to damn well take my time coming!

"Yesss" she sighed, rubbing her sharp nipples against my own hard ones. We were breast to breast then, and my own 34Cs felt great pushing against Chris's heavy Ds.

It was all I could do to keep a slow, steady movement in my hand. I snaked my fingers deeper into my-

Chris had never had a lesbian experience before-but tonight she was going to let her best friend make love to her. Claire was determined to make her want more

self as we pressed closer, and I smelled my friend's slight perfume and felt her chest rise and fall with her deep breathing.

"That's it, that's it," Chris said, undulating next to me.

Her pouty lower lip was lifting on the right side as it always did when she was interested in something, and I silently applauded myself that I could make her so "interested"; god knew, she had had me interested the minute she had opened her top in the car . . . even before!

"Let me suck 'em," I said. "Please, let me!"

"These?" Chris said, faking surprise. She leaned back and pushed her breasts together to form an impossibly

tight cleavage. "You've always wanted to, huh?"

At that sight, I could stand it no longer. I grabbed my clit with my index and first fingers and began the hard, circular twisting I knew would get me coming in seconds.

"Oh god," I screamed as Chris kept her position, her breasts tightly squeezed.

She knew I liked looking at them, always had and always would. I had tried all evening at the restaurant not to stare at her low-cut sweater, but Chris's breasts are just too round and big for me (or anyone) to ignore. I loved the stares she'd received that night, from both women and men, but having the privilege of seeing her like this, having her trust me enough to have me be the first woman she was ever with, made me so hot my head was about to explode.

That Chris was keeping her distance, egging me on like she was, yet not touching beyond rubbing her breasts to mine, didn't matter in the least. Like I said, this was a new experience for my best friend; besides, I was scheming even then as I felt

myself rise, as I clutched my tight ass and I moaned deeply. I was planning on touching Chris plenty after I came! There was no way I was going to let a body like hers not feel all I could make it feel.

"Come for me," she whispered as I rubbed my hard clit for all it was worth and felt my juices run down my hand.

God, I hadn't been this turned on this quickly in so long. It had taken Chris and me no time to fall into bed. Once I knew she was serious about the little flashing she had done in the car, I was not about to let anything stand in the way of our getting down to some serious fun. Now, with Chris this close, her tits inches from my mouth, her big blue eyes wide, and that knowing smile on her pretty pale face, I could do nothing but arch my back and come with all my body.

I literally whimpered as Chris leaned into me and planted a quick but hot kiss on my spread lips. In a way this kiss, the first sexual kiss Chris had ever given another woman, was almost as sensual to me as her lying here topless.

"Here's your reward," she announced after our lips parted.

My friend leaned back, scooted a bit up the bed, and then thrust her breasts to my mouth. I suckled first my friend's right breast, then her left.

I lapped. Big breasts smothered me as I licked from hard nipple to hard nipple, pulling at the dark aureole, gulping as much of each breast as I could in my mouth at once, then releasing and burrowing to the other. When I heard Chris's moaning begin to deepen, nearly to the point of her growling, I released my mouth from her cleavage and looked up at her.

"Now it's your turn," I challenged.

Chris looked up at me as I kneeled over, smiling wide. "How do you want me?" she whispered.

Still so wet, I looked down at the lean girl below me: Chris's hard, powdery belly; her big breasts; her blonde hair falling across her slightly freckled shoulders. She was a vision, and if I had not wanted to make her come deep and long this first time with a woman, I could have stayed there over her and just drunk in her wonderful body and pretty face.

But . . .

I didn't say a word as I reached out to Chris's hips and easily rolled her

onto her back.

Odd as it was, I really had had enough of my friend's breasts for the moment; I wanted to concentrate on getting Chris's pants and panties off and then really showing her what years of being a lesbian had taught me. She had teased me; now I was going to give her the tongue-lashing of her life. If this was indeed a one-shot deal, if this was the only night of lesbian sex Chris would ever allow, then I was going to make her remember my strong tongue and the heights another woman could bring her to.

Chris was steaming hot and ready when I peeled down her sweats and faced her blue cotton thong. I nuzzled my face across her pussy, kneading my nose into the cotton that separated my mouth from her hot little mound. I mouthed her a few minutes like that while she lay back and thrashed her head side to side, her straight blonde mane cascading across her fluffy pillow. Spreading her thighs even more, I heard her sigh as I kneeled and ran my long nails across her panties.

"You are mine now," I promised.

I peeled down her thong, and Chris actually cried out when her trim

triangle sprouted into view. I managed the thing all the way down her long legs and off her feet, and I smiled as I looked up to see my friend's upper inner thighs quivering slightly.

"All mine," I added, and then I dived down to Chris's blonde triangle.

As I had suspected she would, Chris tried to scoot back up the bed. I wasn't insulted of course; I knew my friend was hot for me, but a woman's mouth on her pussy was new to her. I spread her thick lips with my tongue and let Chris's light smell fill my face.

Chris tasted just like the virgin I knew she was to all this. Her little clit, hard like a button, popped its head out to meet my darting tongue. I positioned myself flat across my best friend's thighs and buried my face deep into her wetness.

"Um, um. Oh!" Chris said.

I knew I had her; she was all but whimpering as I flicked my tongue across her button; but I wanted to prolong her impending orgasm. Like I said, I wanted to make this first time for Chris a great time. I wanted her to remember, and I wanted her to want me, because I certainly wanted to do this again . . . and again! Driving down the hour to see her for our monthly get-togethers could really be fun now, with the promise of a night like this looming in our future.

I managed a hand under Chris's little ass and began to snake my fingers

between her cheeks.

"Cla . . . Claire," she said, opening her eyes then to look down at me as I looked up at her. I nearly stopped my fingers in her ass, but Chris was smiling as she glared down at me. "I . . . I never, I" she tried.

I wasn't about to remind Chris that fingers up her ass weren't the only "never" happening this evening, but instead I laid my head back down across her, spread her wet lips with my tongue again, and snaked my index finger up her budding anus.

"Jesus," Chris yelped above me. "Oh Jesus, Claire, oh sweet Jesus!"

Chris started squirming so much, I had to hold her in place by pushing my face deeper into her pussy while planting my finger up her from behind. She was shuddering now, whimpering from deep in her throat, and I could tell by the thick juices streaking my cheeks that she was really building for a heavy explosion; she was so wet, I couldn't tell what was her juice and what was my saliva.

I felt my own pussy filling up again, and I started rubbing myself against the bed as Chris clenched her ass around my fingers. Easing my finger just up to her hole, I felt the bed shake as Chris cried out at my tentative purchase in her anus.

"Mmmm," I moaned into her, and Chris all but bucked on the bed.

Suckling that button of her clit, I

managed my hand in just a whisper more and held onto Chris as she began to cry. "Claire!" Chris gulped as her entire body tightened. Impaling her ass with my finger, I sucked hard on her engorged clit. "Claire!" she repeated as I felt her lips quiver and her back arch.

The warm squish of Chris's juices released down my face as I held my lips to her clit and managed my finger in even deeper. Chris came for what seemed five minutes.

I thought; I wouldn't forget this night!

It's two weeks later, and I'm preparing to leave for Chris's house in the next hour. We have talked as much as always on the phone, but neither of us has spoken yet about my last visit. We fell asleep in each other's arms that night and the next morning went out to breakfast as usual, hung out for a few hours until it was time for me to leave her-with only a quick kiss on the cheek-come late afternoon. If our time together was a one-time occurrence, then I knew I had provided Chris, and she me, with one hell of a memory. But I was certainly wondering, as I packed my sexy black leather G-string, why Chris insisted that we see each other now, only two weeks later, when a month usually passed between our visits!

I was sure that Chris's first time would prove not to be her only time!
